Vantage Hearth's Electric fireplaces are the hassle-free solution to add a warm hearth to your home.

- Patented LED Technology
- No bulbs to replace
- 75% less energy consumption
- Hassle-free: just plug in and enjoy
- Save on installation and maintenance
- Convenient remote control allows you to adjust heat, back light, embered brightness and flames independently
- Professionally designed arch front
- Fireplace ambiance comes alive through:
 - natural looking logs, cast from hand carved models
 - stunning glowing embers
 - unparallelled realistic flames
- Designed to complement your primary source of heat with 1500 watts (5000 BTUs) of comfortable heat
- Storage nook to place your remote (available on 26" & 36" models)
- If you find a better spot for your fireplace, just unplug, move it over, and you're set!
- Pairs with our beautiful selection of wall and corner HearthSide Designs cabinet mantels available in a variety of styles and finishes
- Available in four sizes (21", 26" & 36") to suit every space need
- Mini, Compact & Performance models come with easy to carry handles

Premium 36" Electric Fireplace with bi-Fold glass doors.

All Electric Fireplaces come with Clear LED control panel lights.

26" & 36" fireplaces feature a convenient storage nook for the remote control.

Mini 21" Fireplace

The 21" *Mini* Electric Fireplace from the Traditional Series is small and elegant, fits just about anywhere, and is great for reduced areas. Remote Control Included.

Compact 26" Fireplace

The 26" *Compact* Electric Fireplace from the Traditional Series retains the same great features as the mini but also includes a storage nook to house the remote control when not in use.

Premium 36" Fireplace

The 36" Electric Fireplaces, truly distinctive, boast a deep fireplace with glowing embers and logs cast from real wood, now with an impressive flame. It includes solid, full-length side nailing flanges, and drywall stops for easy builder installation.
